

Twinning

Tiggs Da Author

Too much drama
All me want is pussy and power
A nigga want no stress
Take a L, bounce back, that's progress
Winning
Made 20 last week
My bro made 20 last week
And we call that twinning
I'm on a boat off an island
Pussy power, you can never have too many women

Don't give a damn about knives and shanks
I use £50 notes just to dry my hands
She gimme brain, now I'm wise like Sam
We go together like a Naija man and cyber scams
10 years I've been grinding akh
If it's written, then you know it's only timing fam
Before I help you boys, show me where your mind is at
'Cause ungrateful motherfuckers always bite the hand that feeds 'em
Anyway, this gyally want my semen
She told her boyfriend she see her mama like every weekend
She wanna bring a friend, I got my killy, they could be friends
More life
More gyally
Giddy giddy giddem

Ohh
Big vibes yeah you know
Ohh
Big vibes yeah we move

Let the beat ring
I blossomed like the spring
Wanna know what this is?
This the result of listening to instinct
In my blower, see gyal wanna link
In my gaff, see dish in the sink
In my mind, see the thoughts of a king
Gold and ting
See that kinda place you can't let just anyone in
Fluid like water, I walk beyond the border
See me with Tiggs, can't tell which one is the author
Sam Wise type to woo the president's daughter
Like a 3-0 white wash on FIFA
Every time we make love
She always bring weed

She said she want a balanced diet
Like her meat with some greens
We can smoke up from the morning to eve
With a little bit of luck, we can make it you and me
Man wan' pree who's that boy, it's YZ
Man wan' pree who's that boy, it's YZ
She from SE, but she B A D
Shorty want hugs, she want L O V E
