

# We Ain't Scared

Tiggs Da Author

One time  
Two times  
Uh  
Alright  
Hey, hey, hey  
Uh!  
Come on  
One two three  
Oh!

Something crazy running through  
My head I guess it's nothing new  
To me because I'm wild and young  
Tell me what's a dealer if there ain't no drugs  
I feel fire in my soul  
Burning me from head to toe  
I don't know why they're blaming us  
Tell me what's a killer if there ain't no gun

You don't want us to feel alright  
You don't want us to read or write  
You don't want us to seem so wise  
I don't understand

Mama they don't care  
Yeah yeah  
Cause they left us here  
Yeah yeah  
With no love in the air  
Yeah yeah  
But we ain't' scared  
Yeah yeah

Mama they don't care  
Yeah yeah  
Cause they left us here  
Yeah yeah  
With no love in the air  
Yeah yeah  
But we ain't' scared  
Yeah yeah  
But we ain't' scared

Break it down baby, we break it down

I see hands all on the wall  
Begging I wish I could save them all  
Price of everything keeps us running  
Tell me what's a dollar  
If there ain't no money  
Maybe it's time we wake up  
Sing that song that ain't' been sung  
I don't' know what we fighting for  
What's a enemy if there ain't' no war

You just want us to lose our minds  
You don't tell us the reason why

You don't want us too dream all night  
I don't understand

Mama they don't care  
Yeah yeah  
Cause they left us here  
Yeah yeah  
With no love in the air  
Yeah yeah  
But we ain't' scared  
Yeah yeah

Mama they don't care  
Yeah yeah  
Cause they left us here  
Yeah yeah  
With no love in the air  
Yeah yeah  
But we ain't' scared  
Yeah yeah  
But we ain't' scared

If I ever, ever learn my lesson  
I will never, get my blessing

If I ever, ever learn my lesson  
I will never, get my blessing

2, a 1 2 3

Mama they don't care  
Yeah yeah  
Cause they left us here  
Yeah yeah  
With no love in the air  
Yeah yeah  
But we ain't' scared  
Yeah yeah  
But we ain't' scared  
Yeah yeah  
But we ain't' scared  
Yeah yeah  
But we ain't' scared  
Yeah yeah  
But we ain't' scared  
Yeah yeah  
But we ain't' scared  
Yeah yeah  
But we ain't' scared  
Yeah yeah

Yeah yeah  
Yeah, yeah, yeah!  
Yeah yeah
