

Act Out

Tilian

You can act out
Every time you're mad or we can
Get down
With the birds and the bees tryna buzz in my bed
Act out
Every time you're sad or we can
Party

Maybe we should take your ass to Vegas
Excess life like we're somebody famous
Lookin' hard but they can't ever name us
Make you say they hate us cuz they ain't us

I know you need attention
I'll be on a mission
To make you feel like you're that chick
Ah, you're my obsession
I need intervention
Can't wait to show you this... love

You can act out
Every time you're mad or we can
Get down
With the birds and the bees tryna buzz in my bed
Act out
Every time you're sad or we can
Party
Act out
Every time you're mad or we can
Get down
With the birds and the bees tryna buzz in my bed
Act out
Every time you're sad or we can
Party

You're my symphony, yeah
You're my symphony, yeah
You're my symphony, yeah
You're my symphony, yeah

You're my symphony, yeah
There ain't no doubt about it
My symphony, yeah
Disco and shout about it
You're my symphony yeah
And I ain't tryna hide it
Hide it, hide it, hide it

Act out
Every time you're mad
Or we can get down, down, down, down
(With the birds and the bees tryna buzz in my bed)
Act out
Every time you're sad or we can
Party
Act out
Every time you're mad or we can

Get down
With the birds and the bees tryna buzz in my bed
Act out
Every time you're sad or we can
Party
