

Factory Reset

Tilian

Can I get a factory reset?
Can I get a factory reset?
Can't stop thinking that you're what I always needed
Can't stop giving in to what I always hated
Can I get a factory reset?
Factory reset

Tilted nights on foreign streets
Collecting secrets I can't keep
Is there more to what we are than what we used to be?
I don't want you on your knees
I don't want your fantasy
And what kills me makes it easier for me to sleep

Can I get a factory reset?
Can I get a factory reset?

I try to ride these highs to keep
Pain from swallowing defeat
But like a dehydrated scar old habits beckon me
I recognize the one that feeds
On crippling insecurities
The one that compels me to drown myself to set him free

Can I get a factory reset?
Can I get a factory reset?
Can't stop thinking that you're what I always needed
Can't stop giving in to what I always hated
Can I get a factory reset?
Factory reset
