Stranded

Tilian

I've had dreams about you
Where nothing is broken
The words never spoken
No overblown reactions
Nothing to tear us apart

I know that you do...you think about it too
It's obvious the way you run away
When I step into any crowded room, you hesitate

Don't you ever wonder why?
We were endless brothers
So we never recovered
Victims of a nervous time
Stranded on opposite sides

Now we live this pointlessly
Hiding undercover
While we destroy each other
Don't you think it's about time?
Stranded on opposite sides

Holding onto grudges
Promises broken
Disaster in motion
We focus on each other
Even when we are apart

I know that you do...you think about it too
It's obvious the way you run away
When I step into any crowded room, you hesitate

Don't you ever wonder why?
We were endless brothers
So we never recovered
Victims of a nervous time
Stranded on opposite sides

Now we live this pointlessly
Hiding undercover
While we destroy each other
Don't you think it's about time?
Stranded on opposite sides

You're a juggernaut
And I am Genghis Khan
Just imagine
If we were on the same team

You're Napoleon
Well, I'm the chosen one
Can you imagine, imagine?

Don't you ever wonder why?
We were endless brothers
So we never recovered
Victims of a nervous time

Stranded on opposite sides

Now we live this pointlessly
Hiding undercover
While we destroy each other
Don't you think it's about time?
Stranded on opposite sides

Don't you ever wonder why? (I know that you do...you think about it too)
We were endless brothers
So we never recovered (It's obvious the way you run away)
Victims of a nervous time (When I step into any crowded room, you hesitate)
Stranded on opposite sides

Now we live this pointlessly (I know that you do...you think about it too)
Hiding undercover
While we destroy each other (It's obvious the way you run away)
Don't you think it's about time? (When I step into any crowded room...)
Stranded on opposite sides
