

# Wake Up

Tilian

I'm good at lying  
But I can't deny you  
And you know that I can't keep fooling myself  
There's no shame in trying  
So I try to fight you  
Cause you know that I'm prone to killing myself  
Know as well as I do

That I'm never gonna let it get above me  
I'll stay high

Now I can't take it anymore  
Tell me what you're waiting for  
Why don't you let me go?  
Why don't you let me go?  
You keep on coming back for more  
And I will never change my chord  
Why don't you let me go?  
Why don't you let me go?  
And we'll make up  
Till we wake up  
Till we wake up

I see you trying  
To believe my lying  
And I know that you can't keep fooling yourself  
And I see you dying  
Even when you're smiling  
And it hurts me to see what you do to yourself  
To keep truth in hiding

But I'm never gonna let it get above me  
I'll stay high

Now I can't take it anymore  
Tell me what you're waiting for  
Why don't you let me go?  
Why don't you let me go?  
You keep on coming back for more  
And I will never change my chord  
Why don't you let me go?  
Why don't you let me go?  
And we'll make up  
Till we wake up  
Till we wake up

Ashes to ashes  
Dust to dust  
Ashes to ashes  
Dust to dust  
Ashes to dust

Now I can't take it anymore  
Tell me what you're waiting for  
Why don't you let me go?  
Why don't you let me go?  
You keep on coming back for more

And I will never change my chord  
Why don't you let me go?  
Why don't you let me go?  
And we'll make up  
Till we wake up  
Till we wake up
