Small Bills

Tilt

My associates called,
They want small bills,
Roll me over and suck on my no good excuse
I'll teach you my judicial system,
Like you've never never been taught,
You have the right to remain there,
While I tell you exactly what you are
Did I catch you at a bad time?
You should know my voice by now,
I've got further instructions
I don't know what you'll do without
I've got a job to do here,
And I need a clear head,
You don't want to get me mad dear,
No use in calling in the feds
