

Lady Demeter

Tim Armstrong

Baby, I love you
This is true, it is true (it is true)
Oh baby, I know you don't feel as I do
As I do (as I do)

A burning angel, she's as hot as fire
She can go all night and never tire
Ella necesitava una me amigo, I was for hire
Esto es lo que quieres, what's your desire
And the girl's in the club until they shut it down
She's got her crew coming over, thinks she runs the town
Things are gonna get crazy, so stick around
She's a restless soul, trouble bound

Baby, I love you
This is true, it is true (it is true)
Oh baby, I know you don't feel as I do
As I do (as I do)

I found her downtown at the station
She bought one ticket for her destination
And I ain't coming with her, sad situation
And I'm back on the row of desolation
How many lines, and how many times
And how many dimes got dropped on that crime, right
And then you rewind all the time and see all the signs that say
that girls lying

Baby, I love you
This is true, it is true (it is true)
Oh baby, I know you don't feel as I do
As I do (as I do)
