

Never Know

Tim Atlas

For once [?]
Needing this every time
We'll never [?]

I'll never know, never know
Never know, never know
I'll never know, never know
Never know, never know
I'll never know, never know
Never know, never know
You'll never know, never know

I've thought a thousand times
[?] Western sky
I can see the other side

Trace your waistline

I'll never know, never know
Never know, never know
He'll never know, never know
Never know, never know
We'll never know, never know
Never know, never know
You'll never know, never know

Love me or hate me
I'll be fine, am I right?
Got no reason to cry
It's not like you could leave me
I'll stay dreaming

I'll never know, never know
Never know, never know
I'll never know, never know
Never know, never know
I'll never know, never know
Never know, never know
I'll never know, never know
