Oh, we could take our clothes off

We could take the small talk back to my car
If you wanna
Oh, we could take the clothes off
In the back of my car
If you wanna

Maybe there's a better way to say all of this

We could take the small talk back to my car
If you wanna
Oh, we could take the clothes off
In the back of my car
If you wanna
We could take the small talk back to my car
If you wanna
Oh, we could take the clothes off
In the back of my car
If you wanna
