

# Unwind

Tim Atlas

All work no play, that's why you're uptight  
You pay no mind to what you feel inside  
Put your mind at ease 'cause you pay no rent  
Just let me know when you're ready to unwind

I want to see you satisfied

If you ever need a break  
If you ever need to settle down  
We can swim into a daze  
I promise that you're never gonna drown  
We don't need to give and take  
Evaporate or let me end the drought  
We can swim and ride the wave  
Swim and ride the wave  
We could take a day off

Walk into the room like you need answers  
When it don't matter what you think you'll find  
Set your phone aside so we could get lost  
In things that don't cost a penny of your time

Don't tell me that you're satisfied

If you ever need a break  
If you ever need to settle down  
We can swim into a daze  
I promise that you're never gonna drown  
We don't need to give and take  
Evaporate or let me end the drought  
We can swim and ride the wave  
Swim and ride the wave  
We could take a day off

We could take a day off  
We could take a day off  
Swim and ride the wave  
We could take the day off  
If you want to  
We could take the day off  
Swim and ride the wave  
Swim and ride the wave

If you ever need a break  
If you ever need to settle down  
We can swim into a daze  
I promise that you're never gonna drown  
We don't need to give and take  
Evaporate or let me end the drought  
We can swim and ride the wave  
Swim and ride the wave  
We could take a day off

And we could take a day off
