

# Helpless

Tim Buckley

I don't know why  
You bring my sense alive  
You know you look so foxy wise  
You turn my head around

You know the talk around town  
You do a funky rumba  
You make an old man stop  
You make a young man wonder

Come on and love me  
Until I'm helpless  
Come on and love me  
Until I'm

Helpless, helpless  
Helpless, helpless

Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin' 'cross the highway

Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin' 'cross the highway

I don't know why  
You bring my sense alive  
Come on and love me  
Until I'm helpless  
Come on and love me  
Until I'm

Helpless, helpless  
Helpless, helpless

Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin' 'cross the highway

Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin' 'cross the highway  
Makin' love like a skin cat crawlin'
