

Mexicali Voodoo

Tim Buckley

You take the train from Yuma,
Down to Mexicali,
And by the crack of midnight
You've got that border town fever,

Well down in Madam Woo's cafe
In back of She Cat Alley
Madam Woos mix some Mexicali voodoo

Mexicali Bella
Bella voodoo
Americano don't you know what he do

Three days later
In an elevator
Three days later Mexicali Bella
Bella voodoo
Americano don't know what he do
