

Sloe Gin

Tim Curry

Sloe Gin, sloe Gin
Tryin' to wash away the pain inside
Well I'm sick and I'm all done in
and I'm standing in the rain
and I feel like I'm gonna cry

I'm so f**king lonely
and I ain't even high
I'm so f**king lonely
and I feel like I'm gonna die

Mayday, mayday I've been shot down
over the stormy sea
Well I swear that I'm drifting away
Just can't get a grip on me
Well...I can't even try

I'm so f**king lonely
and I ain't even high
I hate to go home alone,
But what else is new ?
I'm so f**king lonely

I hate to go home alone,
But what else is new ?
I'm so f**king lonely
I'm so f**king lonely

You stand and bleeding people pass you by
Don't matter if you live
Don't matter if you die

Sloe Gin, sloe Gin
Tryin' to wash away the pain inside
Well I'm sick and I'm all done in
and I'm standing in the rain
and I fell like I'm gonna cry

I'm so f**king lonely
and I ain't even high
I'm so f**king lonely...
