

Incognito In California

Tim Finn

The media says "Now where you at?", I've been at this and I've
been at that
Whatcha playing Mr X? Whatcha going to do next?
Go no, go no, we don't give a thing away-ay, hey-ey oo-oo

You know that feeling that you get? You're on your marks but yo
u can't get set
You're ready to go, ready to run, still feeling like a bigger o

[?] life goes on
Flight in the darkness everyone

And now I tinker down to size to penetrate above the skies
Feel the way you camouflage, revealing all the things that show
Show show, show show, many things I didn't know, no no, more dr
