

Making You Happy

Tim Finn

Gonna stop tryin' to make you happy
It's just makin' me sad
Gonna stop tryin' to make your happy
It's just making me sad

It don't make a bit of difference what I do
Make a New Year's resolution or two
Give up smoking
Jumping through hoops for you, babe

Gonna stop tryin' to make you happy
It's just makin' me sad

It don't make a bit of difference, adorin' you
I'll make new year's resolution or two
Give up grovelling
Being a soft touch for you, baby

Making you happy

You said you loved me
If I answered all your needs
But you couldn't say what they were
You had me on my knees
I'm gonna stop tryin'

It don't make a bit of difference...

It's your turn to try and make me happy
It's your turn to go down on you knees

It's your turn to be sad
I'm gonna stop trying
And jumping through hoops for you, babe

Making you happy
