

## Sway

Tim Finn

Don't stray  
Don't ever go away  
I should be much to smart for this  
You know it gets the better  
Of me sometimes  
When you and I collide  
I fall into an ocean of you  
Pull me out in time  
Don't let me drown  
Let me down  
I say its all because of you and here I go  
Losing my control  
I'm practising your name  
So I can say it to your face it doesn't seem right  
To look you in the eye  
And let all the things you mean to me  
Come tumbling out my mouth indeed its time  
Tell you why  
I say its inifinitely true  
Say you'll stay  
Don't come and go  
Like you do  
Sway my way  
Yeah I need to know  
All about you  
And there's no cure  
And no way to be sure  
Why everythings turned inside out  
Instilling so much doubt  
It makes me so tired  
I feel so uninspired  
My head is battling with my heart  
My logic has been torn apart  
And now  
It all turns sour  
Come sweeten  
Every afternoon  
Say you'll stay  
Don't come and go  
Like you do  
Sway my way  
Yeah I need to know  
All about you  
Say you'll stay  
Don't come and go  
Like you do  
Sway my way  
Yeah I need to know  
All about you  
Its all because of you  
Its all because of you
