

I Cant Slow Down

Tim Hardin

I'm standing on the crossroad
Oh, tell me I'll to find a ride
I'm standing on the crossroad
Oh, tell me I'll to find a ride
My suitcase on my hand
Lord, I keep on sinking down

I'm standing on the highway
My suitcase in my hand
I'm standing on the highway
My suitcase in my hand
What's my baby gonna do when I'm away

I'm getting lonely
Make my home out on the road
I'm getting lonely
Make my home out on the road
I am a wild one
I can't slow down

I'm standing on the crossroad
Oh, tell me I'll to find a ride
I'm standing on the crossroad
Oh, tell me I'll to find a ride
My suitcase on my hand
Lord, I keep on sinking down
