

Seventh Son

Tim Hardin

Let me tell you about the seventh son
In the whole world, he's the only one
And I'm a one, yeah, I'm a one
I'm a one, I'm a one, a one they call the seventh son

I can tell your fortune, when its gonna rain
I can tell your [?] woman's with another man
Yes, I'm the one
I'm a one, I'm a one, a one they call the seventh son

Let me tell you about my sweet wife
She's the sweetest thing in my life
Seems to make my life worth while
Cause I'm the one, yes, I'm the one
I'm a one, I'm a one, a one they call the seventh son

Yes, I'm the one
I'm a one, I'm a one, a one they call the seventh son

Let me tell you about the seventh son
In the whole world, he's the only one
And I'm a one, yeah, I'm a one
I'm a one, I'm a one, a one they call the seventh son

I'm a one, I'm a one, a one they call the seventh son
