

## Smugglin Man

Tim Hardin

I'm an old time smugglin' man and I know just what to do  
I'm an old time smugglin' man and I know just what to do  
I sell guns to the Arabs  
I sell dynamite to the Jews

I'm a rum runner, and I built myself a ship  
I'm a rum runner, and I built myself a ship  
No matter how many slaves I sell  
I have just enough money for one more trip

I sell whiskey to the Indians and I smuggle in the gin  
I sell whiskey to the Indians and I smuggle in the gin  
If you want anything illegal  
Ask old Timmie to bring it in

I'm an old time smugglin' man and I know just what to do  
I'm an old time smugglin' man and I know just what to do  
I sell guns to the Arabs  
I sell dynamite to the Jews
