

# 1975

Tim Hicks

I wanna roll out in an El Camino  
With one hand on the steering wheel  
In bell bottom jeans, keeping it real  
Oh, can you dig it?  
I wanna pay nine bucks for a tank of gas  
A couple more for a fifth of Jack  
Fuzzy dots hanging up above the dash  
And an 8 track, are you with me

Hey, I wanna kick it like it's 1975  
Whoa, take a long strange trip way back in town  
Yeah, wild times, take you on a slow ride  
Got you on the flip side, alright, alright, alright  
Yeah, I just wanna kick it like it's 1975

I wanna rock out to a stack of vinyl  
Steve Miller, clear, what a revival  
Then call a girl on a rotary dial  
Oh, line's busy, damn  
Play Pong on an old Atari  
Steal a keg and throw a party  
Stir it up, jamming to some old Bob Marley  
Aw, sing it with me, come on!

Hey, I wanna kick it like it's 1975  
Whoa, take a long strange trip way back in town  
Yeah, wild times, take you on a slow ride  
Got you on the flip side, alright, alright, alright  
Yeah, I just wanna kick it like it's 1975  
Like it's 1975 (1975)

Wouldn't it be cool  
To really do it old school

Hey, hey, I wanna kick it like it's 1975  
Oh, oh, man what I wouldn't give to hit rewind

Hey, I wanna kick it like it's 1975  
Whoa, take a long strange trip way back in town  
Yeah, wild times, take you on a slow ride  
Nothing but good vibes, alright, alright, alright  
Yeah, I just wanna kick it like it's 1975  
(1975) Like it's 1975  
(It's 1975) Yeah I just wanna kick it like it's 1975
