

# Can't Take It Away

Tim Hicks

You can laugh at my two left feet  
I wouldn't blame ya 'cause I can't find the beat  
But I'ma bust a move, 'cause I'm in a groove  
Getting crazy in a full moon kinda moon  
So don't be Debbie Downing on my parade  
You know what they say, yeah the haters gonna hate  
So if your glass is half empty, go and drink it on up  
And me I'm sipping on a half broke cup

Hey! (Hey!)  
Why you like throwing shade  
When the sun's out shining  
Hey!  
Look around it's a beautiful day  
And you're out trying  
But you, you can't take, you can't take it away  
No you, you can't take, can't take it away

Go ahead, take your best shot, what you got  
Call me anything you want, I been called a lot  
Yeah it'll be nothing new  
There's nothing that you can do  
So get your rain outta my blue sky, will you?

Hey! (Hey!)  
Why you like throwing shade  
When the sun's out shining  
Hey!  
Look around it's a beautiful day  
And you're out trying  
But you, you can't take, you can't take it away  
No you, you can't take, can't take it away  
You can't take, you can't take it away  
No you, you can't take, can't take it away

Hey! (Hey!)  
Why you like throwing shade  
When the sun's out shining  
Hey!  
Look around it's a beautiful day  
And you're out trying  
But you, you can't take, you can't take it away  
You can't take, can't take it away  
You can't take, you can't take it away  
Can't take, can't take it away  
(Hey!)  
You can't take, can't take it away
