

Drunk Me

Tim Hicks

Drunk me is out and at it again
47 nights in a row at the bar shooting 'em back
When you stumble in
Drunk you is the prettiest thing I ever seen
Yeah you are
So how'd you like to get to know
Drunk me

Let me tell ya baby
Once I get going I can't slow down
You and me, we can dance all over this town
So how's about you let me buy a one two or three
Oh everybody knows when I'm sipping on some
I'm a one big fond up son of a gun
So what you say we get drunk you
To drunk me

Whoa, hey, drunk you
Why'd you go and throw your drink in my face
And you didn't need to call me a mother drinking disgrace
Good thing drunk me knows just what to do, yeah I do
I'll find another girl here to say, hey drunk you

Let me tell ya baby
Once I get going I can't slow down
You and me, we can dance all over this town
So how's about you let me buy a one two or three
Oh everybody knows when I'm sipping on some
I'm a one big hunting buzzing son of a gun
So what's it gonna take for drunk you
To drunk me

Let me tell ya baby
Once I get going I can't slow down
You and me, we can dance all over this town
So how's about you let me buy a one two or three
Oh everybody knows when I'm sipping on some
I'm a one big mother drinking son of a gun
So what's it gonna take for drunk you
To go and ask your girlfriend too
Let's go back to my room so drunk you
Can drunk me
