

Easy

Tim Hicks

Will we hit it, I don't care
Slow and steady, we'll get there
Girl I love your laid back vibe
Nothing heavy, just a laid back drive

And it don't matter where we go
All around the world or just lay low now
It don't matter what we do
I'll die a happy man
As long as I'm with you

Make it easy like Sunday afternoon
You make it easy like Sunday afternoon
You make it easy

Get up early, stay in bed
'Cause I got you, I'm all set
Spend my money, take my time
Steal my worries, ease my mind

And it don't matter where we go
All around the world or just [?] now
It don't matter what we do
I'll die a happy man
As long as I'm with you

Make it easy like Sunday afternoon
You make it easy like Sunday afternoon
You make it easy
Yeah, yeah, yeah

Rock on girl

Will we hit it, I don't care
Slow and steady we'll get there

It don't matter where we go
All around the world or just lay low now
It don't matter what we do
I'll die a happy man
As long as I'm with you

Make it easy like Sunday afternoon
You make it easy like Sunday afternoon
You make it easy like Sunday afternoon
Yeah, you make it easy, oh, oh, oh
Yeah, you make it easy, so easy
Yeah you, yeah you, yeah you, yeah
You make it easy, like Sunday afternoon
Oh, so, so easy
