

High Rollers

Tim Hicks

Pay check burnin' up a hole in my jeans
Overtime grind ain't got nothin' on me
Going all in baby, every dollar, every cent
Put it all on black, yeah, we'll paint the town red
Ballin' like we're big-time, sipping' on fine wine
We fake it and fake it until we're on our last dime
Got my mind on my money, got my money on my mind
They said it won't buy you happiness
But baby that's a lie

Tonight, we're high rollers
Money in the bank
Cash in my pocket
And premium in the tank
Yeah, we're high rollers
Got expensive taste
\$50 shots, \$100 champagne
Gonna spend it all
Gonna do it up right
It ain't all the time nah
Just for the night
Yeah, we're high rollers
H-h-high rollers

We ain't waiting on nothin' girl I got us on the list
Gonna live it up large like we're stars like we're rich
Five star, caviar, credit's maxed out
From the black car, valet park, to the penthouse
Goin' Twitter-famous, selfies like we're shameless
We take it and take it until it looks just right
You're a perfect ten girl, I'm dressed up to the nines
We're blowing up Facebook, 47 likes

Tonight, we're high rollers
Money in the bank
Cash in my pocket
And premium in the tank
Yeah, we're high rollers
Got expensive taste
\$50 shots, \$100 champagne
Gonna spend it all
Gonna do it up right
It ain't all the time nah
Just for the night
Yeah, we're high rollers
H-h-high rollers

Stacking twenties on fifties on hundred dollar bills
Throw it on the tab, drink up and re-fill
Stacking twenties on fifties on hundred dollar bills
I'll pick up the tab, drink up and re-fill

I'm talkin' high rollers
H-h-high rollers
Yeah, we're high rollers
H-h-high

Tonight, we're high rollers
Money in the bank
Cash in my pocket
And premium in the tank
Yeah, we're high rollers
Got expensive taste
\$50 shots, \$100 champagne
Gonna spend it all
Gonna do it up right
It ain't all the time honey
Just for the night
Yeah, we're high rollers
H-h-high rollers
Oh we're high rollers
H-h-high rollers
