

# New Tattoo

Tim Hicks

I need a new tattoo  
Something sexy, something dangerous  
Something that's gonna make me think about us  
I wanna feel that rush  
I need a new kinda thrill  
Something to get my mind outta my head  
Something to give my heart a thumping again  
I might need too much  
I need a new tattoo

I wanna feel like a new man  
Like the first time you were holding my hand  
Oh, after everything we've been through  
I need a new tattoo  
I wanna feel a little reckless  
A little something that'll leave me breathless  
Oh, I wanna feel like when I met you

I want a new tattoo  
Something I know will always be with me  
Something I couldn't lose so easily  
Like I did with you  
I need a new tattoo

I wanna feel like a new man  
Like the first time you were holding my hand  
Oh, after everything we've been through  
I need a new tattoo  
I wanna feel a little reckless  
A little something that'll leave me breathless  
Oh, I wanna feel like when I met you  
Oh, I need a new tattoo

Yeah!

I need a new tattoo  
I do, I do need a new tattoo  
I do, I do need a new tattoo  
I do, I do need a new tattoo  
I do, I do, I need a new tattoo

I wanna feel like a new man  
Like the first time you were holding my hand  
Oh, after everything we've been through  
Yeah, I need a new tattoo  
I wanna feel a little reckless  
A little something that'll leave me breathless  
Oh, I wanna feel like when I met you  
Oh, I need a new tattoo

I do, I do need a new tattoo  
I do, I do need a new tattoo  
I do, I do need a new tattoo  
I do, I do, I need a new tattoo
