

# Rowdy Up

Tim Hicks

When the sun goes down, we're gonna rowdy up

At a bonfire  
In the backwoods  
There's trucks circled up  
'Round a bunch of party people feelin' real good

Every downtown  
Got a dive bar  
With some honky-tonk, boot stompin'  
Beer slingers drinkin' like rockstars  
Yeah, they wanna

Rowdy up  
Raise some Cain  
Get a little wild on the crazy train  
Tonight we don't  
Give a what  
When the sun goes down  
We gonna rowdy up  
Rowdy up, up  
Rowdy up, up  
Get somethin', somethin' in your cup, cup  
Yeah, when the sun goes down  
We gonna rowdy up

In the back lot  
At the ballgame  
Dougie's passed out in the trunk of a car at the tailgate  
Nah we ain't gonna wait  
We gonna

Rowdy up  
Raise some Cain  
Get a little wild on the crazy train  
Tonight we don't  
Give a what  
When the sun goes down  
We gonna rowdy up  
Rowdy up, up  
Rowdy up, up  
Get somethin', somethin' in your cup, cup  
Yeah, when the sun goes down  
We gonna rowdy up

All the pretty girls wanna rowdy up  
All the good ol' boys wanna rowdy up  
Yeah, tonight we don't give a what  
Everybody here wanna rowdy up  
All the pretty girls wanna rowdy up  
All them good ol' boys wanna rowdy up  
Yeah, tonight we don't give a what  
Everybody here wanna rowdy up

Rowdy up  
Raise some Cain  
Get a little wild on the crazy train

Tonight we don't  
Give a what  
When the sun goes down  
We gonna rowdy up  
Rowdy up, up  
Rowdy up, up  
Get somethin', somethin' in your cup, cup  
Yeah, when the sun goes down  
We gonna rowdy up
