

# Shake These Walls

Tim Hicks

Muddy trucks rolling up  
Something's about to go down  
A little buzz in a cup  
And bass stomping the ground

Boys gonna chase the girls  
Girls gonna chase the boys  
That's how it goes around  
In this little town

Tonight, tonight, tonight, tonight  
Tonight, tonight  
We're gonna shake these walls  
Tonight, tonight, tonight, tonight  
Tonight, tonight  
Drinking way past last call  
You blue jean babies  
With your down home style  
I know you love to drive a cowboy wild  
Tonight, tonight, tonight, tonight  
Tonight, tonight  
We're gonna shake these walls

You got me 80 proof strong  
Blowing me up on my phone  
Yeah baby it's on  
Can't wait to get you alone  
I can't wait for...

Tonight, tonight, tonight, tonight  
Tonight, tonight  
We're gonna shake these walls  
Tonight, tonight, tonight, tonight  
Tonight, tonight  
Drinking way past last call  
You blue jean babies  
With your down home style  
I know you love to drive a cowboy wild  
Tonight, tonight, tonight, tonight  
Tonight, tonight  
We're gonna shake these, shake these walls

Yeah, yeah

Boys gonna chase the girls  
Girls gonna chase the boys  
That's how it goes around  
In this little town

Boys gonna chase the girls  
Girls gonna chase the boys  
That's how it goes around  
In this little town

Tonight, tonight, tonight, tonight  
Tonight, tonight  
We're gonna shake these walls

Tonight, tonight, tonight, tonight  
Tonight, tonight  
Drinking way past last call  
You blue jean babies  
With your down home style  
I know you love to drive a cowboy wild  
Tonight, tonight, tonight, tonight  
Tonight, tonight  
We're gonna shake these walls  
Tonight, tonight, tonight, tonight  
Tonight, tonight  
We're gonna shake these, shake these walls

Yeah, yeah  
Yeah, we're gonna shake these walls  
Walls, walls  
We're gonna shake these walls
