

Wreck This Town

Tim Hicks

It's goin' down
Boots on the ground
Drinks in the air
Gonna wreck this town
Kickin' up dirt
Tomorrow's gonna hurt
Ready right now
Gonna wreck this town

Round here ain't never gonna be the same
Rollin' like a Cat 5 hurricane
Out of the smoke
Like it's slow mo
War paint baby, get your game face on
Everybody knows we goin' all night long
Turn up the lights
Time for the show
Three, two, ready set here we go

It's goin' down
Boots on the ground
Drinks in the air
Gonna wreck this town
Kickin' up dirt
Tomorrow's gonna hurt
Ready right now
Gonna wreck this town

Ready right now
Gonna wreck this town

Little bit o' rowdy never hurt no one
Crash into the party like a hit and run
Bullets in the bucket
Shots in a row
Three, two, ready set, here we go

It's goin' down
Boots on the ground
Drinks in the air
Gonna wreck this town
Kickin' up dirt
Tomorrow's gonna hurt
Ready right now
Gonna wreck this town

It's goin' down, it's goin' down, it's goin' down, we gonna wreck this town
It's goin' down, it's goin' down, it's goin' down, we gonna wreck this town
It's goin' down, it's goin' down, it's goin' down, yea we gonna wreck this town
It's goin' down, it's goin' down, it's goin' down, down, down, down, down...

It's goin' down
Boots on the ground
Drinks in the air
Gonna wreck this town
Kickin' up dirt

Tomorrow's gonna hurt
Ready right now
Gonna wreck this town

It's goin' down
Boots on the ground
Drinks in the air
Gonna wreck this town
Kickin' up dirt
Tomorrow's gonna hurt
Ready right now
Gonna wreck this town

Ready right now
We're gonna wreck this town
This town
It's goin' down
We're gonna wreck this town
