

# Young & Dumb

Tim Hicks

Here we go

When I was young and dumb  
I was scared of all the girls  
Nintendo and my friends  
Were my whole wild world  
Dazed and confused, easily amused  
Never watched the news  
Didn't have as much to lose  
When I was...

Young and dumb  
Wet behind the years  
An underaged punk drinkin' luke warm beer  
No money, no problem  
Life was way easier then  
Wish I was young and dumb again

Can you believe this  
They told me go to school  
Better get yourself a job  
Go buy a bunch of stuff  
Cause you need to have a lot  
Now the bills all piled  
My wife's all riled up  
The kids are all actin' up  
Life wasn't this tough  
When I was...

Young and dumb  
Wet behind the years  
An underaged punk drinkin' luke warm beer  
No money, no problem  
Life was way easier then  
Wish I was young and dumb again  
Wish I was young and dumb again

What do you wanna be when you grow up  
What do you wanna be when you grow up  
What, I can't hear you  
What do you wanna be when you grow up  
Everybody wants to be something  
What do you wanna be when you grow up  
I'll tell you wanna be

I wanna be young and dumb  
Wet behind the years  
An underaged punk drinkin' luke warm beer  
No money, no problem  
Life was way easier then  
Wish I was young and dumb again  
Wish I was young and dumb again  
Wish I was young and dumb again  
Wish I was young and dumb again
