All Glory

Tim Hughes

How great is Your love, it never gives up on me
Stronger than shame, it carries me back to You
Jesus my redeemer, You have made a way

All glory to God who is able
All power and praise
Forever the earth will proclaim
You are mighty, You are mighty

So great is Your love, it keeps all its promises
Unshakable, eternity rests in Your hands
Jesus I surrender, lead me in Your ways

All glory to God who is able
All power and praise
Forever the earth will proclaim
You are mighty, You are mighty

All glory to God who is able
All power and praise
Forever the earth will proclaim
You are mighty, You are mighty

Lift Him higher, He is mighty
Lift Him higher, He is God
Lift Him higher, He is mighty
Lift Him higher, He is God

Lift Him higher, He is mighty
Lift Him higher, He is God
Lift Him higher, He is mighty
Lift Him higher, He is God

All glory to God who is able
All power and praise to His name
Forever the earth will proclaim
You are mighty, You are mighty
You are mighty
