

Counting On Your Name

Tim Hughes

My name is written on Your hands
You've called me Your own
You've called me Your own
Now I am Yours no earthly power
Could tear us apart
Tear us apart

I'm counting on Your Name
I'm counting on Your Name
Counting on Your Name to save me
I'm trusting You're the way
I'm trusting You're the way
Trusting You're the way my Savior

My life is built on nothing less
Than Your faithfulness
Your faithfulness
Counting on Christ and Christ alone
I'm hoping in You
Hoping in You

I'm counting on Your Name
I'm counting on Your Name
Counting on Your Name to save me
I'm trusting You're the way
I'm trusting You're the way
Trusting You're the way my Savior

I'm counting on Your Name
I'm counting on Your Name
Counting on Your Name to save me
I'm trusting You're the way
I'm trusting You're the way
Trusting You're the way my Savior

I believe
I believe
I believe You are the Way
I believe
I believe
I believe You are the Way
I believe
I believe
I believe You are the Way

I'm counting on Your Name
I'm counting on Your Name
Counting on Your Name to save me
I'm trusting You're the way
I'm trusting You're the way
Trusting You're the way my Savior

I'm counting on Your Name
I'm counting on Your Name
Counting on Your Name to save me
I'm trusting You're the way
I'm trusting You're the way

Trusting You're the way my Savior

I believe

I believe

I believe You are the Way
