Tim Hughes

Dance, dance
Everybody dance
Gonna dance, dance
Everybody dance now

Shout, shout
Everybody shout
Gonna shout, shout
Everybody shout now

Your grace is overwhelming
Your joy is in my heart
Your goodness lasts forevermore
Everybody sing

Dance, dance
Everybody dance
Gonna dance, dance
Everybody dance now

Your love is all consuming
Your song is in my heart
You've changed this life forevermore
Everybody sing

Jump, jump
Everybody jump
Gonna jump, jump
Everybody jump now
