

# Dance

Tim Hughes

Dance, dance  
Everybody dance  
Gonna dance, dance  
Everybody dance now

Shout, shout  
Everybody shout  
Gonna shout, shout  
Everybody shout now

Your grace is overwhelming  
Your joy is in my heart  
Your goodness lasts forevermore  
Everybody sing

Dance, dance  
Everybody dance  
Gonna dance, dance  
Everybody dance now

Your love is all consuming  
Your song is in my heart  
You've changed this life forevermore  
Everybody sing

Jump, jump  
Everybody jump  
Gonna jump, jump  
Everybody jump now
