

Never Lose the Wonder

Tim Hughes

Lord, this heart must sing
Of all that You have done for me
The beauty of the cross
The greatness of Your loss
So I'll thank You for the day
When You washed my sin away

I will never lose the wonder
Of the blood You shed for me
There could be no greater,
Love that this through all eternity

So I'll thank You for the day
When You washed my sin away
You washed it away

Help me understand
Just what it meant for You, Jesus
The holy King of all upon a sinner's cross

So I'll thank You for the day
When You washed my sin away

I will never lose the wonder
Of the blood You shed for me
There could be no greater,
Love that this through all eternity (x2)

So I'll thank You for the day
When You washed my sin away

Never lose the wonder Lord...
Beauty of the cross greatness of Your loss

I will never lose the wonder
Of the blood You shed for me
There could be no greater,
Love that this through all eternity

So I'll thank You for the day
When You washed my sin away
So I'll thank You for the day
When You washed my sin away
