

The Cross Stands

Tim Hughes

Beyond this lifetime
Beyond this darkness there's light
Your cross is shining
So people open your eyes

And the cross stands above it all
Burning bright in this life
The cross towers over it all
One hope, one Deliverer
Saviour reigning high above it all
Above it all

These chains are breaking
Your love is shaking us free
A great awakening
This world will finally see

And the cross stands above it all
Burning bright in this life
The cross towers over it all
One hope, one Deliverer
Saviour reigning high above it all
Above it all

Christ has overcome
It is finished, He has won
Christ has overcome
Now we're standing strong

And the cross stands above it all
The cross stands above it all
The cross stands above it all...
And the cross stands above it all
Burning bright in this life
The cross towers over it all
One hope, one Deliverer
Saviour reigning high above it all
You are above it all!

How high, how wide
How deep is Your love
I see it at the cross
