

# Everywhere

Tim McGraw

We were born in this little town  
Growin' up I was counting down  
Every single day till we made our get-away  
But you said you could never see yourself  
Trying to make a life anywhere else  
This would be your home and I was on my own  
But ever since you said good-bye  
I've been out here on the wind  
Baby you would be surprised  
All the places you have been  
I've seen you in

Albuquerque waitin' out a blizzard  
Arizona dancin' 'cross the desert  
Watchin' the sun set in Monterey  
Girl I swear just the other day you were  
Down in Georgia pickin' them peaches  
In Carolina barefoot on the beaches  
No matter where you choose to be  
In my heart I'll always see you  
Everywhere

Now days  
When I'm passin' through  
The conversation always turns to you  
I hear you're doin' fine  
Livin' out by the county line  
Got a man that's home every night  
a couple of kids and the kind of life  
That you want to lead  
Guess you could say the same for me  
Cause you and I made our choices  
All those years ago  
Still I know I'll hear your voice  
And see you down the road  
Maybe in

Oklahoma drivin' 'cross the prairie  
In Dallas, Texas isn't that where we  
Always said we would like to try  
Never did so maybe that's why you're on  
Every highway just beyond the high-beams  
Right beside me in all of my sweet dreams  
No matter where you choose to be  
In my heart I'll always see you in

Albuquerque waitin' out a blizzard  
Arizona dancin' 'cross the desert  
Watchin' the sun set in Monterey  
Girl I swear just the other day you were  
Down in Georgia pickin' them peaches  
In Carolina barefoot on the beaches  
No matter where you choose to be  
In my heart I'll always see you  
Everywhere
