

Hard to Stay Mad At

Tim McGraw

You're hard to stay mad at
You look at me with those eyes, and I'm your fool
And it's only just a matter of time until we're cool
Sayin' something I laugh at

You're hard to stay mad at
And I've tried a million times but baby, I know
You reach for me and I just let it go
Just like that

If you weren't so damn stubborn, we would've never got this far
Be just another casualty, two people in a bar
Here we are, another day
Everytime I walk away, I walk right back

'Cause you're hard to stay mad at
And they say you should never go to bed that way
And I can't sleep if you're not happy anyway
Just something I'm bad at

If you weren't so damn stubborn, we would've never got this far
Be just another casualty, two people in a bar
Here we are, another day
Everytime I walk away, I walk right back

'Cause you're hard to stay mad at
Mad at

Hard to stay mad at
God knows sometimes we fight, sometimes we cuss
And I swear we'd do it for the making up
We're damn good at that

You're hard to stay mad at
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you
I love you

You're hard to stay mad at
And I need you, I need you, I need you, I need you
I need
Baby, I need you

Hard to stay mad at
I want you, I want you, I want you, I want you
I want you, I want you, I want you, I want you
I want you

Hard to stay mad at
