

# I Need You

Tim McGraw

I wanna drink that shot of whiskey  
I wanna smoke that cigarette  
I wanna smell that sweet addiction on my breath  
I wanna ride across West Virginia in the backseat of a Cadillac  
You know some cowboys like me go out like that  
So I need you

Like a needle needs a vein  
Like my Uncle Joe in Oklahoma needs the rain  
I need you  
Like a lighthouse on the coast  
Like the father and the son need the holy ghost  
I need you

I wanna get lost in some corner booth  
Cantina Mexico  
I wanna dance to the static of an A.M. radio  
I wanna wrap the moon around us and lay beside you skin on skin  
Make love 'til the sun comes up, 'til the sun goes down again  
'Cause I need you

Oh, I need you

I wanna drink that shot of whiskey  
I wanna smoke that cigarette  
You know some cowboys like me go out like that  
So I need you,  
Oh, I need you  
I need you, I need you, I need you, I need you

Oh, I need you,  
I need you, I need you, too
