

# She's My Kind of Rain

Tim McGraw

She's my kind of rain  
Like love in a drunken sky  
She's confetti falling  
Down all night

She sits quietly there  
Black water in a jar  
Says, Baby why are you  
Trembling like you are

So I wait  
And I try  
I confess like a child

She's my kind of rain  
Like love from a drunken sky  
Confetti falling down all night  
She's my kind of rain

She's the sun set shadows  
She's like Rembrandt's light  
She's the history that's made at night  
She's my lost companion  
She's my dreaming tree  
Together in this brief eternity  
Summer days, winter snows  
She's all things to behold

She's my kind of rain  
Like love from a drunken sky  
Confetti falling down all night  
She's my kind of rain

So I wait  
And I try  
I confess all my crimes

She's my kind of rain  
Like love from a drunken sky  
Confetti falling down all night  
She's my kind of rain

She's my kind of rain  
Like love from a drunken sky  
Confetti falling down all night  
She's my kind of rain

She's my kind of rain  
Oh, rain on me  
She's my kind of rain
