

Sheryl Crow

Tim McGraw

You're an old soul
A wild child
A bad ass
With a sweet smile

Makes you feel good
Makes you fall in love
Make you feel like
You can't get enough

You're like the first time I heard Sheryl Crow on the radio
One song had to have the whole record
Gonna be stuck in my head forever
I knew I'd never be the same again
You pulled me in
Like a sun soaked California winding road
Barefoot stripped down rock and roll

I remember everything
Like it was yesterday
The way you looked at me
And how the world went away

You were something new
But you felt like home
Every word sounded like
I knew it all along

You're like the first time I heard Sheryl Crow on the radio
One song had to have the whole record
Gonna be stuck in my head forever
I knew I'd never be the same again
You pulled me in
Like a sun soaked California winding road
Barefoot stripped down rock and roll

Makes you feel good
Make you fall in love
Make you feel like
You can't get enough

You're like the first time I heard Sheryl Crow on the radio
One song had to have the whole record
Gonna be stuck in my head forever
I knew I'd never be the same again
You pulled me in
Like a sun soaked California winding road
Barefoot stripped down rock and roll
Roll...
