

The cover of a magazine,  
nothing but paper dream  
Just another fantasy for sale  
Telling me what I need,  
what I should do  
Who I should be  
That stuff don't matter to me at all

Chorus:

The sky is blue and the sun is shining  
i feel like a bum with a pocket full of diamonds  
Im free as a bird and my spirits flyin'  
and thats enough to keep me smilin'.

Guru man on my TV set  
selling secrets to happiness  
1-800-change your life today  
Dreams I've got my own  
I ain't looking for a yellow brick road  
I'm just gonna go my own way

Repeat Chorus

Smilin'  
Smilin'

Repeat Chorus

I'm still smilin'  
Gotta keep on smilin'  
I'm still smilin'
