

What About You

Tim McGraw

Threw my alarm clock in the trashcan
Three a.m. last night
I don't need no wake up call
Cause I can't close my eyes
When I do, you're all I see
And all I dream about
Girl, you start a fire in me
And I can put it out
I think it's the real thing, baby!
What about you?
It's about to drive me crazy
What about you?
Love's the only thing that makes me
Feel like I do
Baby, what about you?
If you dial my number
And I'm not at home
I left you a message
On my caller(?) phone
If anyone else calls tonight
They'll think I've lost my mind
Cause it says "I love you, I love you"
A million times
