

## You Got the Wrong Man

Tim McGraw

Your eyes say that you've been hurt before  
And you can't take the heartache anymore  
You think I'll do what he's done to you  
Break your trust and be untrue  
But baby this is me you're talkin' to

You got the wrong man, it's not me  
A case of mistaken identity  
I didn't break your heart you see  
What can I do to make you understand  
You got the wrong man

I know you think that love will never last  
And you see your future like the past  
You don't want to make the same mistake  
You think that I'm one more to make  
But baby, I'm not him for goodness sake

You got the wrong man, it's not me  
A case of mistaken identity  
I didn't break your heart you see  
What can I do to make you understand  
You got the wrong man

You think I'll do what he's done to you  
Break your trust and be untrue  
But baby this is me you're talkin' to

You got the wrong man, it's not me  
A case of mistaken identity  
I didn't break your heart you see  
What can I do to make you understand  
You got the wrong man
