

Nothing Changes

Tim Minchin

I'm sorry if I used you
I'm sorry if I lied
I'm sure I used you for a reason
It's something I do
And I don't mean to
I'm sorry if you're angry
I'm sorry if you're mad
You're right, I know I'm being selfish
It's something I do
And I don't mean to

Please don't believe me when I say
That I will change
You're disappointed when you find
That I'm the same

Nothing changes
Nothing ever will
Nothing changes
