

Day By Day

Tim Montana

I could be the one I never had
Or wind up dead like my old man
Fight the demons, face the past
Or fade away in a whiskey glass
Taking it all day by day
Taking it all day by day

I just wanna live before it's over
Damn, it's so hard to stay sober
These voices in my head
I swear they want me dead
They just won't go away
I'm living day by day

Moth to a flame and a siren song
So damn hard not to sing along
Might seem like a lonely road
But it's the only way to get back home

I just wanna live before it's over
Damn, it's so hard to stay sober
These voices in my head
I swear they want me dead
They just won't go away
I'm living day by day

I'm living day by day
I'm living day by day
Please make it go away

I just wanna live before it's over
Damn, it's so hard to stay sober
These voices in my head
I swear they want me dead
They just won't go away
I'm living day by day

They just won't go away
I'm living day by day
I'm living day by day
Make it go away
