

# Already Loved

Tim Timmons

Love like no other  
I can't find any better  
Where can I run  
Where You have not gone

Mercy that greets me  
As soon as I wake each morning  
A new melody, You sing over me

I'm already, I'm already loved  
No matter what  
I'm already, I'm already loved  
No matter what  
I cannot break it, earn it or shake it  
What's done is done  
I'm already, I'm already loved  
No matter what  
Already loved

Your heart is for me  
And in the times I doubt it  
You're quick to remind  
Jesus, You're always beside me

I'm already, I'm already loved  
No matter what  
I'm already, I'm already loved  
No matter what  
I cannot break it, earn it or shake it  
What's done is done  
I'm already, I'm already loved  
No matter what  
Already loved

You've been so good to me  
So good, so good, so good  
You've been so good to me

Lord, You've been so good to me  
So good, so good, so good  
You've been so good to me

I'm already, I'm already loved  
No matter what  
I'm already, I'm already loved  
No matter what  
I cannot break it, earn it or shake it  
What's done is done  
I'm already, I'm already loved  
No matter what  
Already loved

I'm already loved  
I'm already loved
