Tim Timmons

You're calling me to the garden  
Out of the wasteland  
Let's walk upon the pathway  
Of Your goodness  
I don't have to worry  
When I'm here

You're calling me to the table  
Out of the famine  
To feast on Your provision  
To taste abundance  
I don't have to hurry  
When I'm here

Here in Your presence  
I am awake and alive  
The King of Heaven  
Is closer than I realize  
And I will dwell here  
All of the days of my life

Here in Your presence  
Jesus I'm Yours, You are mine  
To find Your fullness  
Forever here inside  
And I will dwell here  
All of the days of my life  
Yes, I will dwell here  
All of the days of my life

You're calling me to the mountain  
Up from the lowlands  
To rest upon the rock  
To see Your vision  
No, I don't have to wonder  
When I'm here

Here in Your presence  
I am awake and alive  
The King of Heaven  
Is closer than I realize  
And I will dwell here  
All of the days of my life

Here in Your presence  
Jesus I'm Yours, You are mine  
To find Your fullness  
Forever here inside  
And I will dwell here  
All of the days of my life  
Yes, I will dwell here  
All of the days of my life

All my days  
I am held in Your hands  
I will dance on the heights  
In Your promise land

Jesus, You are my light  
Jesus, You are my hope  
Oh God, it's You alone

Here in Your presence  
I am awake and alive  
The King of Heaven  
Is closer than I realize  
And I will dwell here  
All of the days of my life

Here in Your presence  
Jesus I'm Yours, You are mine  
To find Your fullness  
Forever here inside  
And I will dwell here  
All of the days of my life  
Yes, I will dwell here  
All of the days of my life
