

# This Is The Day

Tim Timmons

Each day I rise, I'll fix my eyes  
On Your promises, over and over  
That I am loved, no matter what  
And You are enough, over and over

This is the day that You have made  
I will rejoice and be glad in it  
This is the day that You have made  
I will rejoice and be glad in it  
I will rejoice and be glad in it

My joy, my rest, do not depend  
On my circumstance or how I'm feeling  
Seasons, they change, we bend, we break  
Molded and remade over and over

This is the day that You have made  
I will rejoice and be glad in it  
This is the day that You have made  
I will rejoice and be glad in it  
I will rejoice and be glad in it

I'll sing for joy, joy, joy  
In the valley where it grows  
I'll sing for joy, joy, joy  
In the goodness of my Lord  
I'll sing for joy, joy, joy  
Cause I'll never walk alone  
You are my rest, my confidence

I'll sing for joy, joy, joy  
In the valley where it grows  
We sing for joy, joy, joy  
In the goodness of my Lord  
I'll sing for joy, joy, joy  
Cause I'll never walk alone  
You are my rest, my confidence

This is the day that You have made  
I will rejoice and be glad in it  
This is the day that You have made  
I will rejoice and be glad in it  
I will rejoice, I will rejoice

This is the day that You have made  
I will rejoice and be glad in it  
This is the day that You have made  
I will rejoice and be glad in it  
I will rejoice and be glad in it
