

# Lonely

Timati (Тимати)

Goooo...

I've got to go, take me away real quick...

I've got to go, take me away real quick...

Lonely, I'm so lonely, lonely, I'm so lonely

Take me away, take me away

Take me away to the place that I don't know

Similar to the place that I do

Am I here, but am I really

'Cause it's been a lot like deja vu

My mind is on something else

And that thing I only dream of

It's more than just fame and wealth

'Cause those things are another way of keepin' me here

And I don't want to be so, take me away

To the place that can get to know me or know my name

Take me away, only I can take me away

On and on, feels so strong, it can't be wrong

I want you to take me away, I'm Lonely, so lonely

On and on, feels so strong, it can't be wrong

I want you to take me away, I'm Lonely, so lonely

You can't find me, 'cause I'm not there

Yeah, I know me, but I'm not scared

I stay with me, cause I won't leave

I don't need you, so let me be

I appreciate what you've done

But now I look after number one

I know that it's selfish, but it's okay

Only I can take me away

No need to come back, I'm listenin'

I'm followin' my own visions

And make sure that I do not stay

'Cause only I can take me away

Take me a-way, only I can take me away

On and on, feels so strong, it can't be wrong

I want you to take me away, I'm Lonely, so lonely

On and on, feels so strong, it can't be wrong

I want you to take me away, I'm Lonely, so lonely

You don't know and feel my love

You don't really know me

You don't know, how't fill my time

You just don't know me, just don't know me

You don't know and feel my love

You don't really know me

You don't know, how't fill my time

You just don't know me, just don't know me

I'm lonely, so lonely (just don't know me)

I'm lonely, so lonely (just don't know me)

On and on, feels so strong, it can't be wrong

I want you to take me away, I'm Lonely, so lonely

On and on, feels so strong, it can't be wrong  
I want you to take me away, I'm Lonely, so lonely

You don't know and feel my love  
You don't really know me  
You don't know, how't fill my time  
You just don't know me

Take me a-way, only I can take me a-way
